About Right To Play:

For more than 25 years, Right To Play has been protecting, educating, and empowering millions of children each year to rise above adversity through the power of play.

We offer programs in 14 countries across Africa, Asia, the Middle East and North America, reaching millions of children each year in some of the most difficult places on earth, helping them to stay in school and learn, overcome prejudice, heal from trauma, and develop the skills they need to thrive. We do this by harnessing play, one of the most fundamental forces in a child's life, to teach children the critical skills they need to dismantle barriers and embrace opportunities, in learning and in life.

This work is supported by our two global offices in Toronto, Canada and London, UK; and seven National Offices in North America and Europe.

Since 2006, Right to Play has been working in Lebanon to support most marginalized children and young people, provide them with access to play-based learning and psychosocial support. In our new strategy 2024-2026, Right to Play will focus on enhancing the learning and social and emotional skills of children affected by crisis through play-based teaching methodologies, providing play-based psychosocial support to improve the holistic wellbeing of children and young people, and supporting young people to fulfill their potential and drive change at local and national levels.

Benefits Highlights:

- Connect and collaborate with a global team who are passionate about protecting, educating and empowering children and youth using the power of play!
- Culture premised on our **Culture Code (accept everyone, make things happen, display courage, demonstrate care, and be playful)**
- Paid leaves (20 days annual leaves, 3 personal days per year)

- Competitive benefits such as (medical and health insurance, transportation allowance, communications allowance, etc.)
- Learning opportunities and 5 learning and development (L&D) days per year
- More information on what we offer is available on [our website](#).
